

## **Short Biography (Speaker - Hazik Mohamed)**

Hazik Mohamed is a business strategist with substantial market research, operational management and start-up experience. He has about 18 years of work experience in diverse fields - 10 years in the engineering field, and 8 years experience in the business consulting and market intelligence field, where he has consulted and advised clients (in ASEAN & GCC) on various business-related areas including market penetration, investment management, strategy formulation, economic analyses and policy implementation.

He is currently pursuing the PhD in Islamic Finance program at INCEIF in Malaysia. His research interests are in Islamic Macroeconomics as well as Behavioural Economics which he feels are complementary areas of study. His thesis investigates economic behaviour and its governance using documented behavioural games in experimental game theory as its methodology.
